By attending this presentation and receiving this document, you are agreeing to be bound by the following limitations. Any failure to comply with these restrictions may constitute a violation of applicable securities laws and/or may result in civil, administrative or criminal liabilities.

This document is strictly confidential and is being furnished to you solely for your information. It may not be reproduced, or redistributed to any other person, and it may not be published, in whole or in part, for any purpose.

The information contained in this presentation ("Presentation") has been prepared by Inmobiliaria Colonial, S.A. (the "Company") and has not been independently verified and will not be updated. No representation, warranty or undertaking, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained herein and nothing in this Presentation is, or shall be relied upon as, a promise or representation. None of the Company nor any of its employees, officers, directors, advisers, representatives, agents or affiliates shall have any liability whatsoever (in negligence or otherwise, whether direct or indirect, in contract, tort or otherwise) for any loss howsoever arising from any use of this Presentation or its contents or otherwise arising in connection with this Presentation.

This Presentation is for information purposes only and is incomplete without reference to, and should be viewed solely in conjunction with, the oral briefing provided by the Company and the Company's publicly available information. The information and opinions in this presentation are provided as at the date hereof and subject to change without notice. It is not the intention to provide, and you may not rely on these materials as providing, a complete or comprehensive analysis of the Company's financial or trading position or prospects.

This Presentation does not constitute investment, legal, accounting, regulatory, taxation or other advice and does not take into account your investment objectives or legal, accounting, regulatory, taxation or financial situation or particular needs. You are solely responsible for forming your own opinions and conclusions on such matters and for making your own independent assessment of the Company. You are solely responsible for seeking independent professional advice in relation to the Company. No responsibility or liability is accepted by any person for any of the information or for any action taken by you or any of your officers, employees, agents or associates on the basis of such information.

This Presentation contains financial information regarding the businesses and assets of the Company. Such financial information may not have been audited, reviewed or verified by any independent accounting firm. The inclusion of such financial information in this Presentation or any related presentation should not be regarded as a representation or warranty by the Company, its affiliates, advisors or representatives or any other person as to the accuracy or completeness of such information's portrayal of the financial condition or results of operations by the Company and should not be relied upon when making an investment decision. . Certain financial and statistical information in this document has been subject to rounding off adjustments. Accordingly, the sum of certain data may not conform to the expressed total.

Certain statements in this Presentation are forward-looking. By their nature, forward-looking statements involve a number of risks, uncertainties and assumptions which could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These include, among other factors, changing economic, business or other market conditions, changing political conditions and the prospects for growth anticipated by the Company's management. These and other factors could adversely affect the outcome and financial effects of the plans and events described herein. Forward-looking statements contained in this Presentation and based upon past trends or activities should not be taken as a representation that such trends or activities will continue in the future. The Company does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

The market and industry data and forecasts included in this Presentation were obtained from internal surveys, estimates, experts and studies, where appropriate as well as external market research, publicly available information and industry publications. The Company, its affiliates, directors, officers, advisors and employees have not independently verified the accuracy of any such market and industry data and forecasts and make no representations or warranties in relation thereto. Such data and forecasts are included herein for information purposes only. Accordingly, undue reliance should not be placed on any of the industry or market data contained in this Presentation.

NEITHER THIS DOCUMENT NOR ANY OF THE INFORMATION CONTAINED HEREIN CONSTITUTES AN OFFER OF PURCHASE, SALE OR EXCHANGE, NOR A REQUEST FOR AN OFFER OF PURCHASE, SALE OR EXCHANGE OF SECURITIES, OR ANY ADVICE OR RECOMMENDATION WITH RESPECT TO SUCH SECURITIES.

Macroeconomic context

Macro outlook remains solid

- > Fundamentals remain attractive despite increased uncertainty
- > Still early to assess long term impacts of Brexit vote

MARKET TRENDS

WORLD & EU

- ✓ Global growth remains stable: +3.1% in 2016
- ✓ Euro area consolidating growth at moderate levels
- ✓ Significant Brexit impacts still pending
- ✓ ECB's QE programme maintains attractiveness of Prime Commercial Real Estate

SPAIN

- ✓ The economy continues to advance at a good pace: +3.1% in 2016
- ✓ Appointment of new prime minister
- ✓ Growth remains above EU average

FRANCE

- ✓ Recovery underway positive momentum in employment
- ✓ Improvement of private consumption
- ✓ GDP growth with increasing momentum in 2016

GDP GROWTH

Source: October Monthly report "la Caixa"

Stable take-up faces scarcity of Grade A product in CBD

- > Vacancy in CBD far below total market ratio
- > Paris CBD at historical lows
- > Grade A product in CBD almost inexistent

BARCELONA

VACANCY %

TAKE UP

MADRID

VACANCY %

TAKE UP

PARIS CBD

VACANCY %

TAKE UP

Prime Product in City Center as key driver to capture selective demand and rental growth

- > Growth potential in prime rents underpinned by solid fundamentals
- > Prime rents with positive momentum in the three markets
- > Paris CBD and Barcelona with strongest growth YTD

TAKE UP ANALYSIS 3Q 16

of transactions

BARCELONA

PRIME RENTS YTD

HIGHLIGHTS 3Q 16

Take-up becoming more selective

- > Almost 60% of take-up in City Center
- > Highest traction in Class A & B+ buildings
- > Decreasing vacancy, especially in CBD
- > Lack of future supply as main driver for the market

Prime Rents benefit from strong fundamentals

MADRID

Total market take-up weaker than 2015, CBD remains solid

- > CBD and City Center remain strong markets
- > Product quality & location gain momentum as key drivers
- > Obsolescence of CBD stock as source for opportunities

Rents for Grade A buildings in CBD with positive momentum:
decreasing incentives and ongoing increase in facial rents
Rents in Secondary locations flat

PARIS

Significant increase of take up

- > Decreasing vacancy in CBD – lowest since 2008
- > Increase of take-up
 - +14% YoY for total market
 - +21% YoY in Paris CBD-Opera
- > Scarcity of high quality product pushing prime rents
 1. Availability of high quality product at 10 year low
 2. Decrease of rent incentives in CBD
 3. Increase of facial rents ongoing

Source: CBRE

- (1) Availability in sq m
- (2) Inside M-30

Source: JLLS

Investment markets 2016 remain strong, but below 2015 due to the lack of product

- > General market volatility increases “flight to quality”
- > Increasing importance of rental growth for further capital value growth
- > Spread vs reference rates remain at very attractive levels
