INMOBILIARIA COLONIAL, SOCIMI, S.A.
ORDINARY GENERAL MEETING OF SHAREHOLDERS (JUNE 2022)
OPERATING RULES FOR THE ONLINE SHAREHOLDERS' FORUM
OF INMOBILIARIA COLONIAL, SOCIMI, S.A.

The Online Shareholders' Forum of Inmobiliaria Colonial, SOCIMI, S.A. (the "**Company**") is provided pursuant to Article 539.2 of the consolidated text of the Spanish Companies Act approved by the Royal Legislative Decree 1/2010, of 2 July, (the "**Companies Act**"), under the following operating rules (the "**Operating Rules**").

1. USERS AND PURPOSE

The Online Shareholders' Forum (the "**Forum**") will be accessible only to the Company's individual shareholders and specific voluntary shareholders' associations duly established and recorded in the special Register provided for this purpose at the Spanish Securities Market Commission ("**CNMV**"), in accordance with Article 539.4 of the Companies Act, to facilitate communications between them before the General Meeting.

The Forum is not a communications channel between the Company and its shareholders (and the voluntary associations that may be formed). It is solely established to facilitate communications between the Company's shareholders (and the voluntary associations that may be formed) on account of the General Meeting. Therefore, no communication made or published in the Forum may be construed as a communication to the Company, nor will it replace in any way the requirements set out in the Law and/or in the Company's corporate governance regulations for the exercise of registered Forum users' rights as shareholders in the Company.

Shareholders and specific and voluntary shareholder associations must register beforehand in order to use the Forum, in accordance with the procedures in force at that time, in order to ascertain the user's identity and status as shareholder in the Company or member of a specific and voluntary shareholder association, duly constituted and recorded with the CNMV. Legal entity shareholders and specific and voluntary shareholder associations must also confirm the identity of the proxy who intends to access the Forum.

Registering as a Forum user and/or the use thereof implies the full and unconditional acceptance of the terms and conditions included in these Operating Rules and the other terms and conditions specified in the Forum.

The registered users' access to and use of the Forum is conditional on their continuing to hold shares in the Company or remaining members of a specific voluntary shareholder association duly constituted and recorded in accordance with the applicable regulations.

The Company will be the Forum's administrator (the "**Forum Administrator**") in the terms and with the powers set forth in these Operating Rules and holds the power of interpreting them in the event of doubt or disagreement in their implementation thereof.

2. PURPOSE OF THE FORUM

Registered users may send, for publication in the Forum, communications relevant to the following subjects only:

- (a) Reasoned proposals on matters that are already included or intended to be included in the General Meeting's agenda.
- (b) Requests to adhering to such proposals.
- (c) Initiatives drawn up by shareholders to achieve a sufficient percentage of votes in order to exercise a minority right as provided in the Law.
- (d) Offers or requests for voluntary representation.

As provided for in article 519 of the Companies Act, the Company's shareholders who request the publication of a proposal as an addendum to the agenda, or a reasoned proposal on matters that are already included in the agenda of the General Meeting that has been called, must represent at least 3% of the share capital.

3. CONTENT OF THE COMMUNICATIONS

The use of the Forum by users should always comply in full with current regulations and with these Operating Rules. The following are expressly forbidden:

- (a) Making any communications that are not related to the purpose and aim of the Forum as set out in Operating Rules 1 and 2 above.
- (b) Smearing the reputation or the legitimate rights, goods and interests of the Company, of other registered users or of third parties.
- (c) Impersonating third parties or introducing the personal data or information of third parties without the informed consent of their owner.
- (d) Incorporating documentation or material without the due authorisation of the owners of the intellectual or industrial property.
- (e) Incorporating content or expressions that are discriminatory, racist, sexist, violent, xenophobic or otherwise degrading or offensive.
- (f) Incorporating any type of material that is inappropriate or contrary to the requirements of good faith.
- (g) Incorporating contents of any kind that are aimed at committing criminal, administrative or civil offences.
- (h) Carrying out any activity aimed at circumventing the technical restrictions established for the Forum or that entail damage, overload or impairment of the functioning of the Forum or the computer equipment of the Company, of its suppliers of computer services, of other registered users or of third parties.
- (i) Posting advertising messages of any type.

4. PUBLICATION OF COMMUNICATIONS ON THE FORUM

Any registered user may send communications that comply with the provisions of Operating Rules 2 and 3 above, and these will be published by the Forum Administrator in accordance with the technical procedures in force at that time.

Requests to publish communications should be made using the forms available in the Forum for this purpose.

Before publishing it, the Forum Administrator will ensure that the communication complies with the Operating Rules. If such communication fails to comply with any of the Operating Rules, the Forum Administrator may, at its discretion, decline to publish it, withdraw it at any time if it has already been published or request any amendments or changes be made to such communication to adapt it to the Operating Rules.

5. PERIOD OF AVAILABILITY OF THE FORUM

The Forum will be available for use as of the call of the General Meeting of Shareholders in accordance with the provisions of the legislation in force and until the date scheduled for the General Meeting.

6. THE COMPANY'S RESPONSIBILITY

The Company will not be responsible for the accuracy, veracity, validity, legality or relevance of the communications sent by registered users, nor for the opinions expressed by them.

By virtue of accessing and/or using the Forum, every registered user declares that he/she is aware of and accepts that he/she makes use of the Forum under his/her sole and exclusive responsibility at all times.
