

INMOBILIARIA COLONIAL, SOCIMI, S.A.
ORDINARY GENERAL MEETING OF SHAREHOLDERS (JUNE 2023)
OPERATING RULES FOR THE ONLINE SHAREHOLDERS' FORUM
OF INMOBILIARIA COLONIAL, SOCIMI, S.A.

The Online Shareholders' Forum of Inmobiliaria Colonial, SOCIMI, S.A. (the "**Company**") is provided according to Article 539.2 of the consolidated text of the Spanish Limited Liability Companies Law passed by Royal Legislative Decree 1/2010, of 2 July (the "**Spanish Limited Liability Companies Law**"), in accordance with the following operating rules (the "**Operating Rules**").

1. USERS AND PURPOSE

The Online Shareholders' Forum (the "**Forum**") will be available, with all due safeguards, only to the Company's individual shareholders and duly established specific voluntary associations entered in the special Register provided for this purpose at the Spanish Securities Market Commission ("**CNMV**") in accordance with Article 539.4 of the Spanish Limited Liability Companies Law, in order to facilitate communications between them before the General Meeting.

The Forum is not a communications channel between the Company and its shareholders (and associations formed). It is solely established to facilitate communications between the Company's shareholders (and the voluntary associations formed) on account of the General Meeting. In consequence, no communication made or published in the Forum may be considered a communication to the Company, nor will it replace in any way the requirements set forth in the Law and/or in the Company's corporate governance rules for the exercise of registered Forum users' rights as shareholders in the Company.

Shareholders and specific and voluntary shareholder associations must register beforehand in order to use the Forum, in accordance with the procedures in force at that time, in order to prove the user's identity and status as shareholder in the Company or member of a specific and voluntary shareholder association, duly constituted and registered with the CNMV. Legal entity shareholders and specific and voluntary shareholder associations must also prove the identity of the proxy who intends to use the Forum.

Registering as a Forum user and/or the use thereof implies the full and unconditional acceptance of the terms and conditions included in these Operating Rules and the other terms and conditions specified in the Forum.

The registered users' access to and use of the Forum is conditional on their continuing to hold shares in the Company or remaining members of a specific and voluntary shareholder association duly constituted and registered in accordance with the applicable regulations.

The Company will be the Forum's administrator (the "**Forum Administrator**") under the terms, and with the powers, set forth in these Operating Rules, with the power to interpret them in the event of any doubt or disagreement in relation to their implementation.

2. PURPOSE OF THE FORUM

Registered users may send, for publication in the Forum, communications confined to the following subjects:

- (a) Reasoned motions on issues that are already included or intended to be included in the General Meeting's agenda.
- (b) Requests for support for such motions.
- (c) Initiatives drawn up by shareholders to achieve a sufficient percentage of votes in order to exercise a minority right as provided in the Law.
- (d) Offers or requests for voluntary representation.

As provided in article 519 of the Spanish Limited Liability Companies Law, the Company's shareholders who request the publication of a motion as an addendum to the agenda, or a reasoned motion on issues that are already included in the agenda of the General Meeting that has been called, must represent at least 3% of the share capital.

3. CONTENT OF THE COMMUNICATIONS

The use of the Forum by users should always comply fully with current regulations and with these Operating Rules. The following are expressly forbidden:

- (a) Making any communications that are not related to the purpose and aim of the Forum as set forth in Operating Rules 1 and 2 above.
- (b) Attacking the reputation or the legitimate rights, goods and interests of the Company, of other registered users or of third parties.
- (c) Impersonating third parties or introducing the personal data or information of third parties without the informed consent of their owner.
- (d) Incorporating documentation or material without the due authorisation of the owners of the intellectual or industrial property.
- (e) Incorporating content or expressions that are discriminatory, racist, sexist, violent, xenophobic or otherwise degrading or offensive.
- (f) Incorporating any type of material that is inappropriate or contrary to the requirements of good faith.
- (g) Incorporating contents of any kind that are aimed at committing criminal, administrative or civil offences.
- (h) Carrying out any activity aimed at evading the technical restrictions established for the Forum or which damage, overload or deteriorate the functioning of the Forum or the computer equipment of the Company, of its suppliers of computer services, of other registered users or of third parties.
- (i) Posting advertising messages of any type.

4. PUBLICATION OF COMMUNICATIONS ON THE FORUM

Any registered user may send communications that comply with the provisions of Operating Rules 2 and 3 above, and these will be published by the Forum Administrator in accordance with the technical procedures in force at that time.

Requests to publish communications should be made using the forms available in the Forum for this purpose.

Before publishing it, the Forum Administrator will ensure that the communication complies with the Operating Rules. If such communication fails to comply with any of the Operating Rules, the Forum Administrator may, at its discretion, decline to publish it, take it down at any time if it has already been published or request any amendments or changes be made to such communication to adapt it to the Operating Rules.

5. PERIOD OF AVAILABILITY OF THE FORUM

The Forum will be available for use from the date of the call of the General Meeting of Shareholders in accordance with the legislation in force until the date scheduled for the General Meeting.

6. THE COMPANY'S RESPONSIBILITY

The Company will not be responsible for the accuracy, veracity, validity, legality or relevance of the communications sent by registered users, nor for the opinions expressed by them.

By virtue of accessing and/or using the Forum, every registered user declares that he/she is aware of and accepts that he/she makes use of the Forum under his/her sole and exclusive responsibility at all times.
